

# TROOP 714

## E-MAIL VERIFICATION FORM

One of the means of communication that our Troop likes to use is e-mail. This allows us to send out information in a timely manner to all families, in addition to the announcements made at troop meetings. Please list the e-mail addresses below that you would like to be entered into the Troop's group yahoo account at this time. You will then begin receiving emails from Troop 714 at these addresses.

E-mail addresses for Troop group account

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

All new e-mail addresses will be forwarded to our Webmaster, who will then send you a confirmation to add this address to the Troop's group yahoo account. You may need to reply to this confirmation to be added. Also, please notify the Troop when we need to change or delete your e-mail address.

Additionally, we would like to enter e-mail addresses into Troopmaster, a computer program which contains all of the scout and adult records for our Troop. This would then print out an e-mail address on the Troop roster for each scout, and allow someone in the Troop to contact your scout directly. Adult leaders are asked to list their e-mail address that will appear on the Troop roster also (only one e-mail per name can be listed).

Scout Name

E-mail address for troop roster

_____	_____
_____	_____
_____	_____

Adult Leader

\_\_\_\_\_

All e-mail information is for the use of Troop 714 scouts and their families only.
